

SHAPING A SUSTAINABLE FUTURE.

Our Vision:

At OEKO-TEX® we want to create more transparency along the textile and leather supply chain, protect consumers and thus ensure greater safety and confidence for all those involved. We act and work in a sustainable, ecologically, economically and socially compatible manner, so that vital resources are preserved for future generations.

Our Core Values:

Number of valid OEKO-TEX®
certificates and labels
Total: 26'155
As of 01.01.2021

OUR PRODUCT LABELS

STANDARD 100 by OEKO-TEX®

All kinds of textiles including components that have been tested for harmful substances, may carry the STANDARD 100 product label.

MADE IN GREEN by OEKO-TEX®

This label identifies textiles and leather goods that have been tested for harmful substances and which have been manufactured under sustainable and socially responsible conditions.

LEATHER STANDARD by OEKO-TEX®

All kinds of leather goods including accessories that have been tested for harmful substances, may carry the LEATHER STANDARD product label.

OUR STANDARD FOR PRODUCTION FACILITIES

STeP by OEKO-TEX® (Sustainable Textile & Leather Production)

STeP certifies production facilities which manufacture textiles and leather articles under sustainable production conditions.

OUR STANDARD FOR CHEMICALS

ECO PASSPORT by OEKO-TEX®

ECO PASSPORT identifies chemicals, colourants and auxiliaries used in the textile and leather industry which are not harmful to human health and which are environmentally friendly.
